MIX

StraightShot is a 6 piece mix with versatile sets of music available for rock and roll venues to small club acoustical levels. Their eclectic play list appeals to all ages and tastes and guarantees to infuse fun into any party and filling the dance floor through the night.

StraightShot is a hard-working band striving to make your event a success. Song lists and order are customized to each event with long sets, and short breaks, to keep the party flowing through the night!

A Roaring Fork Valley based band StraightShot also offers soft piano music or a 3-4 piece instrumental set for cocktail hour and dinner music with an eclectic mix of soft rock and jazz. Their multi-talented members are also available for solo piano music or solo classical / jazz acoustic guitar venues.

If you're setting up a corporate event, planning a wedding (learning the bride and groom's favorite song is included!), or organizing an upcoming party, look no further than StraightShot. StraightShot is sure to make any event come to life!

Members include:
